# TRENDY, DARING AND TASTY REAL MEAT BURGERS

Everyone loves a good burger.  
A real one made from good  
quality meat. Daring,  
tasty and juicy!

**ANGUS BURGER**

**WAGYU BURGER**

**IBERICO BURGER**

**LAMB BURGER**

'Fast casual' is a clear trend. Restaurants closing the gap between traditional and fast food restaurants. Good quality food prepared quickly for their guests with or without personal touches. Bar food and food trucks also rapidly gained popularity. A product meeting the needs of these concepts is a good quality, real meat burger.

## Your own signature

Burgers remain popular. They are tasty and easy to prepare. Distinguish with the quality of '1788' burgers and put your stamp on its preparation.

The tasty burgers offer enough possibilities to prepare your own version. The traditional burger with lettuce-cheese-tomato is still delicious of course. But try a spicy burger with chillies or jalapeños, a burger served with pulled pork or a surf 'n turf burger with fish. There are endless varieties to anyone's taste.
